

Calling all Believers to a World Wide Esther Fast

Why? There is a train of opposition moving towards Israel and it's travelling very fast.
How? We can hear the rumble with key news reports, e-mails, Facebook, Twitter, etc.
This rumble is getting stronger and the train is getting closer by the minute.

Queen Esther heard a similar train coming and she agreed to
Fast and Pray for Three Days and Three Nights
Without eating or drinking in preparation to go before the King
And plead for her people.

I have a question for you – do you hear a train coming?
If you are hearing a train coming then join with us in fasting and prayer like Queen Esther

September 25-26-27, 2012

YOU MAY BE ASKING HOW SHOULD I DO THIS FAST?

Some may be able to do it historically—through three days of no eating or drinking.

Some may be able to do it with a conviction to drink water only.

Some for medical reasons or because of being pregnant or elderly will move on a wise path of food and water.

The bottom line is to choose to join in September 25-27 as you are lead by the Holy Spirit.

AND YOU MAY BE ASKING WHY SHOULD I FAST?

First, read the book of Esther and find out why she fasted and prayed

Secondly, check the latest news, on TV, radio, newspaper, e-mail, Twitter, Facebook +
